Bansi, Uttar Pradesh, India

Summary

I ANSH TRIPATHI, a first-year BTech student in LOVELY PROFESSIONAL UNIVERSITY specializing in Computer Science and Engineering (CSE) with a focus on Artificial Intelligence and Machine Learning (AI/ML). Driven by a passion for cutting-edge technology, Iam honing expertise in AI/ML principles, algorithms, and data science. With a strong foundation in mathematics, programming, and problem-solving, I am trying to developing practical skills through coursework, projects, and independent learning.

Eager to explore emerging technologies and their real-world applications, My aim is to contribute to innovative solutions in areas like automation, data analysis, and AI-driven systems. Along with academic pursuits, I have dedicated to continuous learning and staying updated on advancements in AI/ML. With a clear focus on building a career in the tech industry.

I am committed to mastering the tools and techniques that will shape the future of intelligent systems.

Experience

Freelance
Student
July 2024 - August 2024 (2 months)

Education

Lovely Professional University
Bachelor of Technology - BTech, Computer Science and Engineering · (July 2024 - May 2028)
